MADemoiselle Chambon acquired from Rezo Films. Directed by Stéphane Brizé behind the international success *Not here to be loved*. *MADemoiselle Chambon* features Jean who leads a pretty ordinary life with his loving wife and son. This chance encounter will be a turning point in his well-organized life. *MADemoiselle Chambon* will premier on festivals officially this fall. *NonStop Entertainment is distributing MADemoiselle Chambon in Sweden, Denmark, Norway, Finland, Iceland.*

GREEN STREET 2: STAND YOUR GROUND acquired from Odd lot. Following the deadly climax of "Green Street Hooligans", several members of the West Ham firm and numerous members of Millwall end up in jail. Football on the inside and out is followed fervently by the prisoners and wins and losses are quickly followed by punishment or reward. When overcrowding compels a need for the early release of a fortunate few, fate brings West Ham and Millwall together again, this time on a Pitch. Game on. Directed by Jesse V. Johnson. *NonStop Entertainment is distributing GREEN STREET 2 in Sweden, Denmark, Norway, Finland, Iceland, Latvia, Estonia and Lithuania.*

SPLINTER acquired from Content. Directed by Toby Wilkins and awarded with numerous prizes at the acknowledged horror film festival *Screamfest* in Los Angeles last year. Trapped in an isolated gas station by a voracious Splinter parasite that transforms its still living victims into deadly hosts, a young couple and an escaped convict must find a way to work together to survive this primal terror. *NonStop Entertainment is distributing SPLINTER in Sweden, Denmark, Norway, Finland and Iceland.*
